## AT A GLANCE :

---

The bond amount \$42,000,000 and is expected to be completed for the Fall 2026/2027 School Year.

Bond proceeds will go to building a High School. OISD does not currently have a dedicated High School Facility.

Enrollment at the District has increased each year by roughly 3% over a decade. This growth rate is expected to continue.

Construction of this facility addresses the issues that are challenging each campus in the District, allowing for future growth.

## Student Enrollment and Staffing History

### CURRENT CAMPUS CHALLENGES DUE TO SPACE:

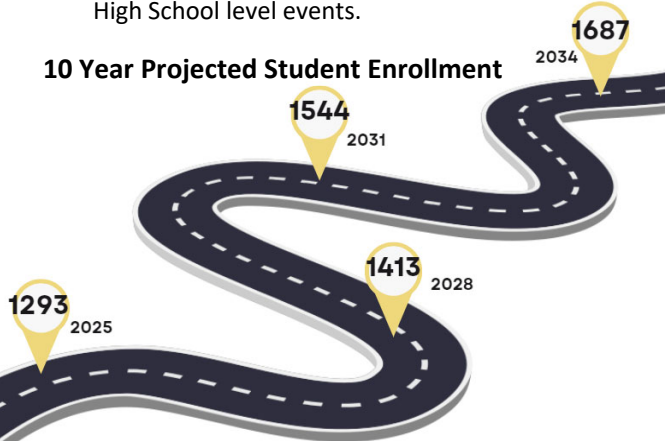

#### ONALASKA ELEMENTARY

- 720 Students (PreK-6th Grade)
- All classrooms occupied
- Congested traffic for car rider drop-off/pickup
- Limited extracurricular for 5th and 6th grade
- Eight grade levels creating a large age span (3 years-13 years)
- Lunches from 10:30a.m.-1:20p.m. due to number of grades

#### ONALASKA JUNIOR SENIOR HIGH

- 540 Students (7th-12th Grade)
- One classroom left for future staffing needs
- Career Technology Education classrooms are not designed for that purpose
- Conflicts created by shared facilities
- Large span between ages (12 years—19 years)
- Small parking and gymnasium eliminates the ability to host graduation and various other High School level events.
