 <p>America redux : visual stories from our dynamic history by Aberg-Riger, Ariel (#2774LA8) Hardcover — Balzer + Bray, an imprint of HarperCollinsPublishers, 2023</p> <p>"America Redux explores the themes that create our shared sense of American identity and interrogates the myths we've been telling ourselves for centuries. With . . . American catchphrases as chapter titles, these twenty-one visual stories illuminate the . . . unexpected, sometimes darker sides of history that reverberate in our society to this very day--from the role of celebrity in immigration policy to the influence of one small group of white women on education to the effects of 'progress' on housing and the environment, to the inspiring force of collective action and mutual aid across decades and among diverse groups"-- Provided by publisher.</p> <p>Dewey: 973; Audience: Young Adult; Interest Level: YA From Booklist: Grades 9-12; Kirkus: Ages 13-adult; PW: Ages 14-up; SLJ: Gr 8-Up</p> <p>Tags: Social Awareness Social Issues Social-Emotional Learning</p> <p>FREE Teaching Resources available for download.</p>	—	\$24.99	1	\$24.99

 <p>Ash's cabin by Wang, Jen (#2876QD6) Hardcover — First Second, 2024</p> <p>"Ash has always felt alone. Adults ignore the climate crisis. Other kids Ash's age are more interested in pop stars and popularity contests than in fighting for change. Even Ash's family seems to be sleepwalking through life. The only person who ever seemed to get Ash was their Grandpa Edwin. Before he died, he used to talk about building a secret cabin, deep in the California wilderness. Did he ever build it? What if it's still there, waiting for him to come back . . . or for Ash to find it? To Ash, that maybe-mythical cabin is starting to feel like the perfect place for a fresh start and an escape from the miserable feeling of alienation that haunts their daily life. But making the wilds your home isn't easy. And as much as Ash wants to be alone . . . can they really be happy alone? Can they survive alone?" --Provided by publisher.</p> <p>Dewey: 741.5; Audience: Young Adult; Interest Level: YA From the publisher: Ages 14-18 From Booklist: Grades 9-12; Kirkus: Ages 12-18; PW: Ages 14-up; SLJ: Gr 7-Up</p> <p>Tags: Graphic Novels LGBTQIA+ Multicultural Relationship Skills Social Awareness Social Issues Survival Stories</p>	—	\$25.99	1	\$25.99

Theo of Golden : a novel by Levi, Allen (#2604QK3)

Hardcover — Atria Books, 2025

"One spring morning, a stranger arrives in the small southern city of Golden. No one knows where he has come from. . . Or why . . . His name is Theo. And he asks a lot more questions than he answers. Theo visits the local coffeehouse, where ninety-two pencil portraits hang on the walls, portraits of the people of Golden done by a local artist. He begins purchasing them, one at a time, and putting them back in the hands of their 'rightful owners.' With each exchange, a story is told, a friendship born, and a life altered"--Provided by publisher.
